

SYLLABUS OF THE SUBJECT "COPYRIGHT"

Basic data of the subject	
Academic unit:	Law Faculty
Subject title:	Copyright
Program:	Law
Level:	Bachelor
Case Status:	Obligatory
Year of studies:	II
Number of hours per week:	2+1
Credit value – ECTS:	3
Time / location:	Time / location (lecture date and hall), as well as other details will be determined in cooperation with the Faculty.
Subject teacher:	Prof. Asoc. Dr. Berat Aqifi
Contact details:	e-mail: berat.aqifi@uni-prizren.com
Course description:	<p>The contract as the main and most important source of the relationship of obligations is an agreement of two or more persons, which aims to establish, change, or terminate a legal relationship of obligation. Contracts enter the group of mutual legal affairs that the new obligation is created, the existing relationship of the obligation is changed, respectively through it the obligations are extinguished. The most important are the contracts with which the obligations are created. The contract is a legal instrument, which creates obligations with the will of the contracting parties. The contract regulates the relations of the participants in the circulation of goods and the provision of services. It is used for both domestic and international circulation of goods. The contract is considered as the most dynamic and flexible legal category</p>
Purpose of the course:	<p>The course aims to provide students with sufficient information about contract law and to apply in practice the skills acquired in the field of contract law. Since this right is covered by this course it should be considered as one of the most important subjects of law which produces direct impact on the free market, movement of goods and services, The course aims to enable students to more easily understand the legal norms of contract law and apply the same in practice. Lectures will be offered respecting the advanced forms of teaching through the interactive form, which presupposes activity by both the teacher and the students. Providing examples from court practice will aim to achieve the</p>

	degree of training of students for drafting and interpreting contracts and creating a legal opinion. Comparative aspects of the rights of other countries will be provided only in cases necessary to fill the theoretical gaps of law in Kosovo and to advance legal knowledge. In this sense, students will be able to be able to form a legal opinion on an issue and reach a conclusion, which has a legal basis and does not conflict with applicable law. Special emphasis will be placed on training for legal analysis based on arguments		
Learning outcomes:	Upon successful completion of the exam, students will benefit from this course: • Understand the legal norms applicable to contracts; • Be able to apply and interpret the legal norms applicable to contracts; • Be able to draft contract forms, draft power of attorneys, and other legal forms; • Theoretical knowledge on the concepts of Uncontested and Enforcement Procedures • practical knowledge on research, analysis and implementation of local legislation in the field of contract law; • ability to draft legal opinions on contractual matters;		
Student workload (should correspond to the student's learning outcomes)			
Aktivitet	Hour	Day/week	Total
Lectures	3	15	45
Theoretical/laboratory exercises	2	15	30
Practical work			
Contacts with the teacher/consultations	0.5	15	7.5
Field exercises			
Colloquiums, seminars	1	1	1
Homework			
Student's independent study time (in the library or at home)			
Final exam preparation	3	15	30
Time spent on assessment (tests, quizzes, final exam)	3	15	30
Projects, presentations, etc			
Total			142.5 hour (7 ECTS)

<p>Teaching methodology:</p>	<p>Interactive lectures - students in addition to lectures, in the lecturing process will be actively engaged through presentations, discussions or debates about issues discussed during lectures; - Seminar work: students will be given the topics that will be needed to complete the seminar work.
